Sir:

The Office Action dated May 20, 2003 included an objection to claims 5-10 for improper multiple dependency. From this it appears that the Preliminary Amendment (copy enclosed) filed on October 24, 2001 was inadvertently not entered.

Therefore, entry of the Preliminary Amendment is requested, as is reissuance of the Office Action addressing all of the claims on the merits and resetting the due date for response.

Respectfully submitted,

RENNER, OTTO, BOISSELLE & SKLAR, LLP
